

# Bucks County Continuous Quality Improvement

## Air Transport Template

BC Incident Number	Category I or II trauma	Pt Needs Extrication	Extrication Time >10min	Onscene time <sup>1</sup>	>30 min. from closest Trauma center <sup>2</sup>	Burn or Pediatric <sup>3</sup>	Air Service Standby	Air requested Prior Arrival	Air requested Onscene

Please an "X" if yes

**Notes:**

1. Measured from time at patient to transport.
2. Use 3<sup>rd</sup> party mapping software such as MSN.com directions or Map quest, also consider other transports from that EMS box to Trauma receiving facility.
3. Pediatric is 14yrs or less.
