Chest Pain Template

Bucks County Incident #	O2	ASA[1]	EKG	12-Lead[2]	IV	Nitro	Morphine	Patient Pain Free[3]	Strip Attached[3]

Place an “X” if completed.

GOAL: Find trends strengths & weakness. Develop a plan to praise strengths and improve weakness through continuous education. Then re-evaluate all processes.

Footnotes:

1. Give credit if aspirin given prior to arrival or documented allergy.
2. 12 lead EKG not required, but give credit if available.
3. Give credit if documented.
