

Bensalem EMS

CEU's Applied For

Bensalem EMS has contracted with Tier1 SOF to provide a 2 day TEMS course for Tactical EMS providers. This course will offer a unique experience for providers to learn the latest battlefield techniques for wound care . These techniques can easily be converted for use in the civilian tactical environment.

Instructors will also cover basic team healthcare, suggested equipment for the TEMS provider, and means to reach, treat, and extract downed officers.

When: Aug 30 and 31 2010

**Where: Bensalem EMS Headquarters
3830 Hulmeville Road
Bensalem, PA 19020**

Time: 0800 to 1800

Uniform: Full tactical uniform with helmet and ballistic vest. Or duty uniform.

Cost: \$300 per person

Course is limited. There are only a few seats remaining. Applicants must be ALS providers and require a letter from their sponsoring agency stating student is covered by the agencies worker's compensation insurance. Student should be in good physical condition. **Checks should be made payable to: Bensalem Rescue Squad.**

Fully, completed applications and checks are to be received no later than close of business August 13, 2010
