

ACLS

Advanced Cardiovascular Life Support

ACLS Recert

Advanced Cardiovascular Life Support (ACLS) builds on the foundation of basic life support skills, emphasizing continuous, high-quality CPR and takes healthcare provider training to the next level.

Attendees must have a current ACLS card!

Taught in conjunction with Bethlehem Township Volunteer Fire Company

To Register, contact Mike Snyder at
Snyder.m@btvfc.org

Cost: \$65.00 per person
Payment must be provided at the time of registration
