

AMERICAN LIFE AMBULANCE

“We do EMS Different”

**2200 Michener Street Suite 14
Philadelphia, PA 19115
Office (215)677-7100
Fax (215)677-0809**

American Life Ambulance is growing. We are currently accepting applications for EMT's and EMT students. EMT's must possess a valid EMT certification and current CPR card. EMT students must possess valid Drivers License, as well as a current CPR prior to start date. American Life Ambulance will offer EVOC certification and CPR re-cert at no charge to candidates who successfully maintain 90 days of good standing employment with our organization.

We offer competitive pay and health benefits including dental after 90 days. We are a family based business with a positive work atmosphere. New EMT's will be assigned a mentor to oversee their development and help them to gain the confidence and knowledge to face any emergency they encounter. All of our trucks are fully equipped with the latest equipment including AED's.

Feel free to contact Ameer with any questions you may have.

Thank You,

Michael J Burns
President
