

EMPLOYMENT

MedEx Ambulance Service always seeks out for the most professional and caring EMT's and Paramedics! We provide our employees with the best wages in the industry! MedEx Ambulance Service is a family owned and operated ambulance service. Our vision is different from other companies. We believe that having happy employees will assure happy patients and health care staff.

We pride ourselves on hiring the best-qualified employees and providing them with the latest equipment and technology available!

EMT's must have clean drivers license and EVOC, EVDT or CEVO. Paramedics must have active command or will have to work as an EMT until they achieve command with our organization. All candidates must complete pre-employment physical, drug screen and background checks.
