

Newtown Ambulance Squad
EMS Continuing Education Series

Presents:

Sexual Assault Incident Response for EMS

September 23, 2019

1900 Hrs

Instructor- Specialist: Allison Denman M.S, BSN, B.S, RN, SANE-A

This course will be a 3 dimensional instruction for EMS providers to learn how to recognize victims of sexual assault in all age groups, and the special needs population. Students will also learn the appropriate treatment, both psychological and medical interventions appropriate for most patients. This course will also cover how to identify offender profiles, among other helpful skills.

Location:

Newtown Township Municipal Building
Public meeting room at 100 Municipal Drive
Newtown, PA 18940.
