

TRAINING BULLETIN

Newtown Township Police Dept.

Incident Command System ICS-300

Dec.11-13, 2019 • 0830-1630 hrs. • No Fee

ICS-300 provides an in-depth focus on the NIMS Incident Command System (ICS) that includes the tools, practices and procedures that are available in ICS to effectively manage emergency incidents or planned local events at a local Type 3 level. Expanding upon ICS-100 and -200, this course ensures that responders understand the basic ICS concepts that allow an incident management organization to expand and contract as needed to fit the incident and maintain its operational effectiveness.

Incident Command System ICS-400

Jan.27-28, 2020 • 0830-1630 hrs. • No Fee

ICS-400 provides training and resources for responders who require advanced application of the ICS by providing overall incident management skills rather than tactical expertise. Expanding upon information covered in ICS-100 - ICS-300 courses, ICS-400 emphasizes large-scale organizational development, roles and relationships of the command and general staff, and planning, operational, logistical and fiscal considerations related to large and complex incident and event management. The course also describes the application of Area Command and the importance of interagency coordination on complex incidents and events.
