

EMS INSTRUCTOR CLASS

DREXEL UNIVERSITY • COLLEGE OF NURSING AND HEALTH PROFESSIONS

This class offers the learner the opportunity to develop the skills necessary to provide quality instruction to the EMS providers in the state of Pennsylvania. This class also covers many topics that will help you be a great educator.

TOPICS COVERED INCLUDE:

- Components of the learning process.
- Adult learning theory.
- How to deal with difficult students.
- Methods of teaching (teaching theory and teaching skills).
- Preparation for education.
- How to use and master a variety of media and materials.
- Purpose of evaluation and how to use different methods of evaluation.

COURSE INSTRUCTOR:
Everett F. Binns, Ph.D.

Everitt F. Binns, Ph.D. will lead the course instruction. Everitt is a Senior Health Care, Emergency Services, Corporate, Business and Higher Education Executive with over 40 years of progressive management experience. He is a nationally recognized management expert, educational consultant and organizational leadership specialist to corporations, hospitals, higher education, and emergency service organizations. He regularly presents at regional, state and national meetings and conferences.

IN ORDER TO TAKE THIS CLASS, YOU MUST:

- Provide proof that you are at least 18 years old.
- Possess current certification in CPR or current certifications a CPR instructor.
- Possess current certification as an EMT or higher-level EMS provider.
- Have at least one year of experience in providing EMS as an EMT or higher-level EMS provider.
- Provide documentation of at least 20 hours of instructional time. Time must be for the EMS certification program within the last 1 year.
- Supply a letter of recommendation from either a PA Department of Health Accredited Training Institute Director/Administrator or an EMS Certification Coordinator.
