

Bensalem EMS

Bensalem EMS is looking for part time Paramedics to fill early morning shifts for event stand-bys. Hours vary 7 days a week available. Bucks County Command status preferred.

Bensalem EMS is also looking for part time Paramedics to fill 3-11 shifts in a clinical setting. Also 7 days a week. Bucks County Command required.

Both these positions would be great for experienced medics to pick up some time without having the physical rigors of 911 ambulance work.
